

## **DIAVOLO MISSION**

Diavolo is “Architecture in Motion”, redefining dance through dynamic movement, enlightening communities through trust, teamwork, and individual expression.

## **INSTITUTE VISION**

The Diavolo Institute develops community through dynamic movement and Diavolo’s signature movement style, fostering creative growth in Los Angeles and beyond.

## **INSTITUTE GOALS**

- To evolve a specifically designed movement and performance training program that is intense, comprehensive, and inspiring that creates a fearless gladiator.
- To unblock the performer and empower them to attain whatever performance goals they envision for themselves, to attain greater heights than they ever believed possible.
- To put dance and movement artists into the world that are proficient in every area of performance to handle any circumstance in any company in any style.
- To offer movement training programs to every age and ability in “Architecture in Motion”, Diavolo’s signature movement style, which includes elements of ballet and modern dance, gymnastics, martial arts, flying, catching, dynamic partnering, object manipulation, improvisation, composition, trust, teamwork, and individual expression:
  - **In The Studio**, professional dance and acrobatic training in our Downtown Los Angeles Space, and in other satellite locations.
  - **In The Schools**, for our unique integrative movement technique based on California VAPA standards.
  - **In The Community**, reaching out to underserved populations in Los Angeles for transformative trust and teamwork movement programs.
  - **On The Road**, at various performing arts venues on tour.
- To enhance the lives of our supporters, neighbors, and the underserved.
